

# Notice to All Persons Owning or Renting Land in Waverly Township

The entire Township Road Right of Way needs to be mowed, and the top of the shoulder needs to be cut to 4" or less by **October 2, 2023**.

All trees, brush and rocks need to be removed from the ditches as well.

If landowners/renters fail to do so by the end of the deadline, the Waverly Town Board has the right to have the ditches mowed and cleared at the landowner's expense.
